OBJECTIVE

My objective is always to improve the usability and accessibility of web applications, ensuring that each project is not only visually impactful but also functional and easy to use. I enjoy collaborating with creative teams and taking on challenges that allow me to grow professionally and learn new technologies.

KEVIN CARTAGENA

JOB EXPERIENCE

10/9/2018 - 10/30/2019

Agent • **Customer Service** • Amazon

06/06/2020 - Present

Dispatcher • Towing • Jewel's Towing

05/04/2025 - Present (Second Job)

Freelancer • Web Developer • MiraiTech-Solutions (own)

I design web pages in my free time to reinforce my skills. My biggest achievement so far has been creating a website, deploying it, and configuring SEO on my own.

EDUCATION

Instituto Renovación, San Pedro Sula, HN

- Technical High School Diploma in Computer Science (2016).

Udemy (virtual)

- Web Programming Course from Zero to Master (2025).

PROBLEM SOLVING

I have the ability to analyze errors, identify the root of problems, and propose practical and effective solutions. I quickly adapt to unexpected situations and maintain project stability, ensuring that web development runs smoothly and without setbacks.

LOGICAL THINKING

I design functional and optimized code by applying best development practices. My logical approach allows me to build clear, structured, and scalable solutions, making both maintenance and the evolution of any web project I work on easier.

SKILLS

HTML, CSS, JavaScript, NodeJS, Express, Python, Django, Flask, JAVA, C++, C#, React.js, Vue.js, MongoDB, PostgreSQL.
